

FAUN RENTAL SERVICE

Short and Long-Term Rental

Innovation for
a smarter waste collection

FAUN RENTAL SERVICE®

Now more than ever, waste management companies and local authorities must maintain strict control over their finances.

The outsourcing solutions offered by FAUN enable businesses and local governments to achieve precise budget planning. This allows them to master both their capital expenditure (IFRS standards) and operational costs, without tying up their borrowing capacity. Thanks to efficient maintenance management and a fleet featuring the latest technologies, vehicle downtime is minimized.

FAUN provides its partners with a fleet ranging from 5 to 29 m³, including: urban collection vehicles for city centers, RCVs (Refuse Collection Vehicles) for household, industrial, organic, green, and bulky waste—whether for standard bins or underground containers—as well as street cleanliness and maintenance vehicles.

DUO

Dual-compartment RCVs for recycling collection

VARIO

Single-compartment RCV to optimize collection rounds

TORO

Bulky waste and industrial waste collection

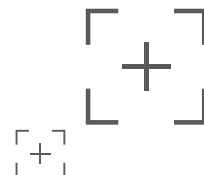

Short-term rental: up to 12 months

Agility, flexibility, cost savings

Based on a professional assessment of your needs (seasonal peaks, vehicle breakdown or accident replacement, new contract or new market), FAUN provides the appropriate, perfectly maintained,

and fully serviced equipment on an as-needed basis. With its extensive fleet of vehicles available across France, FAUN is a trusted partner.

CUSTOMER SUPPORT WITH FAUN

Under the rental agreement, the customer benefits from a single point of contact who manages the «Full Service» package, which includes:

- › Financing
- › Preventive and corrective chassis maintenance
- › Preventive and corrective equipment maintenance
- › Tire management
- › Replacement vehicles
- › Statutory inspections: MOT/roadworthiness, tachograph, speed limiter, crane, fire extinguisher, and safety checks

TERRANÉO

Underground container collection and smart versatility

VIAJET

A unique approach to cleanliness

URBANÉA

Urban vehicle for city-centre collection

Long-term rental: 12 months and over

Peace of mind in your daily operations

FAUN supports its partners in defining the exact equipment required to perfectly meet their needs. Outsourcing vehicle fleet management relieves a company economically and frees up its focus for vital, core business challenges. Indeed, long-term rental removes a highly complex and costly management

burden from the company. For those looking to control costs and prevent vehicle downtime, long-term rental is the most suitable solution.

FAUN's long-term rental offers the ultimate flexibility to adapt to changing customer needs.

FAUN SERVICES

The after-sales service comprises a group of experts responsible for troubleshooting, adjustments, expertises and hardware follow-up operations, based on an efficient network of Service Centres and breakdown vehicles carrying equipment and original spare parts for a cost-cutting maintenance tracking service.
